

JAN IBRAHIM

Graphic Designer | Video Editor Short and Long Video's | Salesforce Administration & Development

ABOUT ME

With 5+ years of experience, I specialize in graphic design (logos, flyers, social media posts) and video editing (all types of social media content). I have expertise in motion graphics, VFX, and UI/UX design for apps and websites, along with a strong background in Salesforce administration. I manage social media marketing, focusing on engagement and content creation, and have hands-on experience with Salesforce functions such as user management, security settings, and automation tools. Let's bring your vision to life!
